

Here Comes the Sun Lyrics for Altos

Ah ah ah ahah ah ahahahah ah ah ah ah ah ah
Here comes the sun doo da doo doo
Here comes the sun and I say, "It's all right."
Dum dum dum dum

Little darling, it's been a long cold, lonely winter;
Oh little darling it seems like years since it's been here

Here comes the sun
Here comes the sun, and I say "It's all right."
Dum dum dum dum dum

Little darling, the smiles returning to their faces;
Oh little darling it seems like years since it's been here

Here comes the sun
Here comes the sun, and I say "It's all right."
Dum dum dum dum dum

Sun sun,sun here it comes!
Sun, sun, sun, here it comes!

Little darling, I feel that ice is slowly melting;
Oh little darling it seems like years since it's been clear.

Here comes the sun,
Here comes the sun, and I say, "It's all right."
Dum dum dum dum dum

Sun, sun, sun here it comes!
Sun, sun, sun, here it comes!

Here comes the sun
Here comes the sun and I say, "It's all right."
Dum dum dum dum dum
Here comes the sun.
