La la la la la la la la la la la la la la la la
La la la la la la la la la la la la la
Here comes the sun, doo da doo^ doo
Here comes the sun and I say, "It's all right."
La la la la la la la la la la la la la la la

Little darling, it's been a long cold, lonely winter;
Oh, little darling it seems like years since it's been here
Oh, here comes the sun la la la la
Here comes the sun, and I say "It's all right."
La la la la la la la la la la la la la la la la

Little darling, the smiles returning to their faces; oh
Oh, little darling it seems like years since it's been here
Oh, here comes the sun la la la la
Here comes the sun, and I say "It's all right."
La la la la la la la la la la la la la la la la

La la la la bah dum dum
Oh sun, sun, sun here it comes
Bah dum dum
Oh sun, sun, sun here it comes!

Little darling, I feel that ice is slowly melting;
Oh, little darling it seems like years since it's been clear
Oh, here comes the sun, la la la la
Here comes the sun, and I say, "It's all right."
La la la la la la la la la la la la la la la

La la la la bah dum dum
Oh, sun, sun, sun here it comes
Bah dum dum
Oh, sun, sun, sun here it comes!

Here comes the sun doo da doo doo
Here comes the sun, and I say "It's all right."
