

"City Of Stars"

[Tenor melody - others provide backing]
City of stars Are you shining just for me?
City of stars There's so much that I can't see
Who knows?

[all singing words – Tenor has the melody]
I felt it from the first embrace I shared with you

[all singing words – Alto/Soprano have the melody]
That now our dreams
[Soprano only]
They've finally come true

[Soprano melody - others provide backing]
City of stars Just one thing everybody wants
There in the bars
And through the smokescreen of the crowded restaurants
It's love

[all singing words – Alto has the melody]
Yes, all we're looking for is love from someone else

[Tenor & Bass]
A rush
[Alto & Soprano]
A glance
[Tenor & Bass]
A touch
[Alto & Soprano]
A dance

[Tenor & Alto duet, other parts WOW]
A look in somebody's eyes to light up the skies
To open the world and send it reeling.
A voice that says, I'll be here and you'll be alright

I don't care if I know just where I will go
'Cause all that I need is this crazy feeling
A rat-tat-tat of my heart

[Tenor]
Think I want it to stay

City of stars
Are you shining just for me?
City of stars
[All with Soprano melody]
You never shined so brightly
